## Product End of Life Notice

**Product:** Pharos PrintOp Module  
**Part Number:** PUP5-PRINTOP  
**Affected Regions:** Worldwide  
**Notice Date:** 5<sup>th</sup> June, 2007

In 2002, Pharos Systems stopped offering its PrintOp module to new customers. The PrintOp module has still been included in releases after 2002 to provide more time to customers using the PrintOp module to migrate to an alternative solution.

As at this announcement, all future releases/versions of the Pharos Solution Suite will no longer include the PrintOp module and documentation. Customers that use PrintOp can contact Pharos Systems to discuss their particular needs.
